

Yazaki EMEA acquires JuHa Group

The acquisition of Junker & Halverscheid Group (JuHa Group), by Yazaki Europe Middle East Africa N.V. (Yazaki EMEA) has been successfully closed on 2 July 2024. With the finalization of the acquisition, the integration into the Yazaki Business Division ECS (Electronics and Connections Systems) has now begun.

JuHa Group, a leading manufacturer of tools and molds for plastics processing as well as a producer of plastic parts for the automotive industry, is an important employer in Lüdenscheid, Germany, with around 200 employees. Yazaki EMEA is a leading manufacturer of wire harnesses for the automotive industry (Electric Distribution Systems - EDS) and a supplier of innovative electronic parts and connectors (Electronics and Connection Systems - ECS). In the EMEA region, Yazaki employs around 50,000 employees at 24 locations in 19 countries.

Jeroen Deen, Divisional President ECS: *"The successful acquisition of the JuHa Group plays a key role in achieving the growth targets of our ECS division, particularly in the field of connection systems. The acquisition will contribute to achieving the goals of the Yazaki EMEA strategy in terms of vertical integration and further product diversification. We welcome the 200 new colleagues from Lüdenscheid to Yazaki EMEA and are confident that the post-merger integration will be smooth and successful."*
